Pottery & Ceramics

M - F, 9:00 AM - Noon Ages 6-12

Member \$135 Non-Member \$145

A class for beginner to intermediate ceramic students...Build projects out of clay, learn basic sculpting and glazing techniques and create unique art works each week. Clay, glazes and kiln time included. Expect to create 2 finished pieces per day M-Th with Friday set aside for glazing. Projects will be ready for pick-up about 2 weeks after the end of camp.

Theater Games

M - F, 10:00 AM - Noon Ages 5-7

Member \$95.00 Non-Member \$105.00

Especially designed for our young actors to get a taste of being on stage. We'll have a fun week of voice and body acting, costume and prop design, confidence building and group team-building activities. No lines to memorize...new readers and non-readers are welcome! Perfect for those who may want to audition for Plymouth Uptown Players Fall youth theater season! Directed by Tipping Point Theatre's Sonja Marquis

Actors' Workshop

M - F, 1:00 PM - 4:00 PM Ages 12-17

Member \$120.00 Non-Member \$130.00

Taught by professional actor Sonja Marquis, this week-long workshop was designed for both beginning and experienced student actors. Participants will develop skills needed for dramatic storytelling and communication with their peers through interactive exercises, games, and scene work. Great workshop for those who want to reach their own personal goals, or prepare for high school level theater auditions. There will be opportunities for individual performances and small group scenes, with a student showcase for friends and family at the end of the week.

Paper Crafting

M - F, 1:00 PM - 4:00 PM Ages 7-13

Member \$125.00 Non-Member \$135.00

All new projects for Summer 2017! Make 3D engineered paper sculptures, collages, cards, unique gifts and memory pages for framing or scrapbooks! We will learn how to use all of the paper crafting gadgets...shaped die cutters and punches, crazy edge scissors, cool photo corners and mats, and then turn your own pictures into finished works of art. Students should bring 10 photos to put into their artwork - vacations, school days, teams, birthdays, etc.

WEEK TWO

June 26 - June 30

Digital Photography, Inside/Out

M - F, 9:00 AM - Noon Ages 12-17

Member \$125 Non-Member \$135

This camp will teach you to use the features on your own camera while learning basic to advanced composition, exposure, focus, and lighting. Student photographers will also be setting up and taking photos to enter into our July photographic exhibit, "From The Inside Out". The contest and exhibit was inspired by Matisse's "Window", which will be displayed at The PCAC from April-July (as part of the Detroit Institute of Arts Inside/Out program!) We will take action, still life and landscape photos, so dress for the weather. We will print final photos and showcase the best in our summer camp art show. Camera with chip and/or transfer cord required.

Member \$135.00 Non-Member \$145.00

A class for beginner to intermediate ceramic students with an emphasis on creating functional art pieces...Build projects out of clay, learn basic sculpting and glazing techniques and create unique art works each week. Snack plates, glazed mugs, organizers and card/photo holders are just some of the ideas you will get to choose from...expect to create 2 finished pieces per day M-Th with Friday set aside for glazing. Add glazes, textures and personalized clay embellishments to make each piece unique!

Cartooning

M - F, 1:00 PM - 4:00 PM Ages 8-15

Member \$120.00 Non-Member \$130.00

From classic Superheroes to personality-filled animals and vegetables, campers will explore different drawing, cartooning and animation styles in this extraordinary mixed media class. Some of our projects include creating character profiles and story lines to use in your own comic book and figure, making colorful art posters, designing emoji mobiles and magnetic moodies.

WEEK THREE

July 10 – July 14

Film Making Workshop

M - F, 9:00 AM - Noon Ages 10-17

Member \$130.00 Non-Member \$140.00

For students with a bit of film making experience. Take your films to the next level with fun challenges that will stretch your imagination. On site props and indoor/outdoor settings offer students a chance to show their stuff and work together in pairs, in teams, and as individuals to come up with creative solutions to the day's challenge. PCAC Film Crew Instructor Jenn Teed and production assistants will start off each day with a technique demo and then guide film makers as they come up with unique digital films. Students should bring their own film recording device with memory card or cord to transfer film to instructor's ipad. Contact lisa@plymoutharts.com if you will need equipment to use during workshop. Film showcase for friends and family on Friday.
