

Get your hands dirty!

# Drop-In Pottery Classes

Thursdays from 4:00pm - 9:00pm

*At the Plymouth Community Arts Council*

**January 5th - April 12th**

Come for an hour, or stay for all five! No pre-registration necessary.

**\$18/hour for members    \$20/hour for non-members**

***Cost includes 6 lbs. of clay per hour***

Work on Hand building, Coiling, Slab Building, Wheel Throwing, and much more!

Once you complete your artwork you can glaze and paint in house at the PCAC with cone 04 glazes.

Notice: Clay takes 10-13 days to dry and mature before a bisque firing, and then glazing can occur.

The PCAC only has two pottery wheels so space is limited.

If students are interested in the wheel during a drop in session,  
there is a 1 hour maximum work time per day.

***Parents, bring your children and enjoy pottery together! (ages 6 & up)***

***Students, stop by after school and work on advanced pottery techniques!***
