Please register and then call for an audition appointment 734-416-4278

Sunday, September 23rd 6:30pm, 7:00pm, 7:30pm OR

Tuesday, September 25th 4:30pm, 5:00pm, 5:30pm

*Actors in Third Grade

Third grade actors may audition, but cast placement will be at the discretion of the director. Families with interested third graders should call for an audition appointment, but register with tuition payment only if offered a cast role after auditions.

AUDITION DAY! Plan to arrive 5 minutes before your audition to sign in. Actors will meet in small groups for 20-30 minutes with the director, Sonja Marquis. Be prepared to interact with others who are auditioning, and have a short audition piece prepared; a monologue, poem, or lines from a favorite story are perfect. It may be memorized or read, but it should be a piece you are comfortable with that shows off your strengths! You must register, choose audition time and sign the Actor Commitment Contract audition night in order for your registration to be complete.

REHEARSALS & PERFORMANCES! Fall 2018 rehearsals will be on Sundays from 6:00-8:00pm at the PCAC. Final performances will be: Friday, December 7 at 5:00pm; Saturday, December 8 at 11:00am; AND Sunday, December 9 at 6:30pm. Actors must commit to rehearsals, all 3 performances, and after-school rehearsals at Tipping Point Theater during Tech Week (the week before the show) Sunday-Wednesday December 2, 3, 4 AND 5. Exact time for Tech Week rehearsals will be announced, but you can expect about 2 hours each day, sometime between 5pm and 8pm. There will be no rehearsal Thursday December 6th. If your family cannot commit to this schedule, please consider our Spring 2019 PUPS, which auditions in January of 2019, or our summer theater camps.

PUPS is an experimental theater program that is actor-centered. The Director will decide after auditions are complete if an actor is ready for program...focus, memorizing, working as a team, and cooperative participation! *If the Director decides that the actor should wait another season before auditioning again, a full refund will be given within a week of the notification.* Actors selected for the program will have a role in final production to be held at Northville's Tipping Point Theatre. Weekly Sunday "rehearsals" are at The Plymouth Community Arts Council and include theater workshop-style instruction, team building and role-development exercises. Each actor will receive 2 free tickets to the final performances. Additional tickets will be available for purchase for \$10 each. Look for ticket orders November 11th.

TUITION! Our program registration is \$235 with a current PCAC Student \$30 Membership, good for one year (2 PUPS seasons plus all of our summer camp programs!) **There are no extra costume fees. Parent participation is welcome during tech week and final performances, but always optional and not a requirement for this program. There will be a volunteer sign-up sheet available at rehearsals for costume design, stage crew, cast party and prop-making.*
