TECH/DRESS WEEK: Attendance during tech/dress week is mandatory. A minimum of 2-hours scheduled during a 5pm-8pm window each day was shared upon registration on both the parent info sheet and the audition sheet. The schedule above was based on submitted actor availabilities (when the majority preferred) and theater staff's availability. ***PLEASE NOTE:** Current end time for Wednesday, December 5 is 7:30pm. However, this may be extended to 8pm if our cast needs more rehearsal time. I WILL CONFIRM THE END TIME BY TUESDAY, DEC 4. Please keep their calendar clear until 8pm that evening, in the event we need it. THANK YOU! =)

For those who may need help getting your child to/from rehearsals during tech week, we can have a carpool sign-up in the lobby or online in the next few weeks. Let me know if this would be helpful.

If you are running late or going to be absent and it is not listed on your conflicts, please contact Sonja at 810-923-1051 or marquis.sonja@gmail.com.
