Week One

June 20 - June 24

Theater Games 10am-12noon Ages 5-7 \$95/\$105

Especially designed for our young actors to get a taste of being on stage. We'll have a fun week of voice and body acting, costume and prop design, confidence building and group team-building activities. No lines to memorize...new readers and non-readers are welcome! Perfect for those who may want to audition for Plymouth Uptown Players Fall youth theater season! Directed by Tipping Point Theatre's Sonja Marquis

Games In The Making 9am-12noon Ages 6-12 \$120/\$130

We will create new games to take home from tiles, marbles, found and natural objects, as well as re-design classic favorite games with a modern twist. We will spend Friday playing group designed games, including Giant Box story dice, Water-balloon hoop quidditch and Outdoor Bottle bowling. This class will satisfy creative rule-followers, while emphasizing teamwork and good sportsmanship. Skills: painting, drawing, assemblage, sculpture, and lots of imagination!

Young Artist Color Explosion 1pm-3pm Ages 5-7 \$95/\$105

A mixed media camp designed especially for young artists, with colorful theme for each day... like Oranges Poranges, Mellow Yellow and Radical Red! Crazy and fantastical art projects will stretch the imagination and let young artists exercise their creativity. Clay, collage, 3D projects, paint and more! Each student will exhibit a piece in our end of summer Art Show. Instructor: Lisa Howard

Hands On! American Sign Language 3pm-4pm Ages 5-9 \$45/\$55

This fun afternoon mini-camp will introduce students to basic ASL through interactive art projects games, and songs. Campers will learn the alphabet, songs, greetings, names, numbers, animals with instructor and CMU education major Madeline Klozik. We will do a short Performance the last day of camp.

Actors' Workshop 1pm-4pm Ages 12-17 \$120/130

Taught by professional actor Sonja Marquis, this week-long workshop was designed for both beginning and experienced student actors. Participants will develop skills needed for dramatic storytelling and communication with their peers through interactive exercises, games, and scene work. Great workshop for those who want to reach their own personal goals, or prepare for high school level theater auditions. There will be opportunities for individual performances and small group scenes, with a student showcase for friends and family at the end of the week.

Guitar Camp - S1 10am-12noon Ages 7-14 \$\$95/\$105

This is an acoustic guitar camp class designed for the beginning-intermediate guitar student looking to learn the basics of music notation, chords, picking and strumming technique. Students will also be playing in small ensemble groups and learning to play solo guitar music. Guitar or ukulele required for class. Music and other materials provided for students to take home. Instructor: Jeff Davis

Week Two

June 27 - July 1

Film Making 101 9am-12noon Ages 11-17 \$130/\$140

You'll make a short film while learning traditional and computer techniques with all equipment provided. Students will experience working in small groups to develop characters, story lines, special effects, props, etc. From directing to sound effects, this class will provide beginning and intermediate movie makers with a great experience in performance and technical arts. Class size limited to 10 students. Film showcase for friends and family on the last day of camp

In A Galaxy Far, Far, Away! 9am-12noon Ages 7-13 \$120/\$130

A Celestial, Star Wars influenced mixed-media art camp taught by our own Princess Leia, Christina Evans! Assemblage, painting, clay and cartooning are in the plans, with found object robot sidekicks, clay characters, marshmallow constellations, modern-art planetary canvases, and pod racer design are all part of this out of this world week! Each camper will exhibit a piece in our end of summer Art Show!

Digital Photography - S1 1pm-4pm Ages 8-14 \$120/\$130

This camp will teach you to use all of the features on your own camera while learning basic to advanced composition, exposure, focus, lighting and printing photos. We will take action, still life and landscape photos, so dress for the weather. We will print final photos and showcase the best in our summer camp art show. Camera with memory chip and/or transfer cord required. Instructor: Christina Evans

Papercrafting & Scrapbooking 1pm-4pm Ages 7-13 \$120/\$130

All new projects for Summer 2016! Make 3D engineered paper sculptures, collages, cards, unique decoupage gifts and memory pages! We will learn how to use all of the paper crafting gadgets ...shaped die cutters and punches, fancy edge scissors, cool photo corners and mats, and then turn your own pictures into beautiful pages of memories or photo gifts, with papers, stickers, embellishments and specialty stamps, inks and markers. Students should bring 10 photos to put into their artwork - vacations, school days, teams, birthdays, etc.

Mix It Up! - S1 1pm-4pm Ages 6-12 \$120/\$130

If you loved Slimy Art & Science you will love Mix It Up! A definite hands on experience where students will be mixing up (and inventing!) their own materials for the week's projects. Textured paints, powdered clay bases, handmade papers, mixed media collage canvases, liquid chalk and frozen water colors. Please dress for the mess!

Week Three

July 11 - July 15

Art In (Hip Hop) Motion! 10am-12noon Ages 6-12 \$95/\$105

Campers will start and end each 2-hour session with Hip Hop dance instruction with Emily from Hale Strength & Shape. Colorful, body-in-motion art projects will be sandwiched in between dance times. This creative and energy-filled camp is designed for both girls and boys. Performance for family and friends on the last day of camp. Group painted art piece will be displayed at our Summer Camp Art Show. Please dress in clothing designed for freedom of motion. Sneakers must be worn in dance class.
