## Drawing & Graphics

**Mondays, 9/12 - 10/3 4:30pm-6:00pm Ages 9-15 \$75m/\$85nm**

Four Monday class sessions (90 minutes each) - This class will help student artists develop their own drawing style, and learn new techniques that take their own subjects and drawings to the next level. Creative journaling/cartooning prompts, line and shading, creative color usage and an intro to ink + watercolor pencil. All materials included. Students will be invited to exhibit in our student art shows, December 2022 and April 2023.

## Pottery & Ceramics Session One!

**Tuesdays, 9/13 to 10/4 4:30pm - 6:00pm Ages 10-16 \$90m/ \$110nm**

Four week class, 90 minutes each day. Projects inspired by famous art works, nature, and pop culture applied in clay! Hand-building projects with textures and glaze applications with instructor technique demo. Finished, fired pieces will be ready for pickup 2 weeks after class ends. Clay, glaze and kiln time included. Students should expect to make 3-4 finished projects. Students will be invited to exhibit in our student art shows, December 2022 and April 2023.

## You & Me Together Art Class - Wednesdays, 9/14 to 10/19

**10:30am-11:15am Ages 2 1/2 to 5 \$72m/\$80nm (per student+adult pair)**

Designed for our youngest artists and their parent, grandparent, nanny, etc. creating together! Art projects are designed with modifications for all different skill levels and include seasonal painting, clay, collage and more. Dress for the mess :) All materials included! \* Separate drop in registration for the Halloween Costume party on October 26, 10:30-11:30am!

## Friday, October 7

**Creative Arts Workshop 10:00am-1:00pm ages 8-14 \$50m/\$60nm**

Get creative with two great art projects on your day off from school - We will be making reverse tie dye shirts and clay "sugar" skulls - clay glaze, kiln time and t-shirt included in price. Grab a friend and join us! Bring a lunch (NO PEANUTS or TREENUTS, please!)

## Pottery & Ceramics Session Two!

**Tuesdays, 10/11 to 11/1 4:30pm-6:00pm Ages 10-16 \$90m/\$110nm**

Four week class, 90 minutes each day. Customize your own hand-building projects using the technique of the week with exciting textures and glaze applications. Each student will get time on the pottery wheel during this 4 week session. Finished, fired pieces will be ready for pickup 2 weeks after class ends. Clay, glaze and kiln time included. Students should expect to make 3-4 finished projects. Students will be invited to exhibit in our student art shows, December 2022 and April 2023.

## Tuesday, November 8 - Morning

**Clay Ornament Workshop 10:30am-12 noon Ages 6-12 \$25m/\$35nm**

Make 5 handmade and personalized clay ornaments or gift tags - clay, glaze and kiln time included. We will have lots of inspirational materials to share to make each piece truly unique! Finished and fired pottery will be ready for pickup 2 weeks after class.

## Tuesday, November 8 - Afternoon

**Pottery Gifts Workshop 1:00pm-3:00pm Ages 6-12 \$35m/\$45nm**

Students will get to make 2 personalized pottery gifts - we will talk at the beginning of class to see who is on their top secret gift list and then help them make something special - clay, glaze and kiln time included. Finished and fired pottery will be ready for pickup 2 weeks after class.
